Subject: Korfball in Romania / JWC 2007

Dear Prof Iacoban,

We are delighted to inform you that the development of korfball in Romania is moving in the right direction.

As you are aware the activities of demonstrating and implementing korfball in Romania, were successfully organised from 3 to 10 December 2006 in Bucharest, Cluj-Napoca and Targu Mures under the patronage of the International Korfball Federation (IKF) and furthermore there were promotional activities in Ploiesti in January 2007. As a result of these activities, it actually is so far, that Romania will participate in the Junior World Cup 2007, to be held in Leeuwarden, the Netherlands from 6 to 8 April 2007.

We have understood that you have been actively supporting the sport and its promoters in the last couple of months, for which we would like to thank you and we also express our hope that this support will continue in the future.

Once again expressing our appreciation, we are looking for a continued successful collaboration.

With kind regards,
International Korfball Federation,
